Appeal for “One Book for Our Library” Initiative

Dear Well-Wishers, Friends of the College and Community Members,

Greetings on behalf of our College. As you know, Padmanath Gohain Baruah Govt. Model College, Kakopathar, was established by Govt. of Assam in 2020 and is affiliated to Dibrugarh University, Dibrugarh. Situated in the Dirak-Kakopathar inter- state border region of Assam-Arunachal Pradesh, our college serves students from under-served rural and remote communities. This year is being celebrated as the “Book Year” in Assam: a time to emphasize the role and value of books, reading, libraries and knowledge for the growth and development of our society. In keeping with the spirit of that commitment, we are launching a special appeal for the enhancement of our college library.

Why we need your help:

Our college library is still young and growing in our prospectus. As the student strength grows exponentially, demand for diverse and quality books increases.

A vibrant library, enriched with many volumes, varied subjects and updated resources-cultivates reading habits, deepens knowledge, builds academic confidence and fosters lifelong learning in our locality.

By donating a book, you become a direct partner in strengthening education and opportunity for young learners from rural community.

Our Appeal to You:

We earnestly request you to donate at least one new or gently used book (or more if possible) to our college library.

Your donated book could be:

A new or gently used book in good condition (academic, general knowledge, reference, subject-specific, fiction in English/Assamese/any other languages)

If you wish, you may donate multiple books, or a set, and you may also send a small note/inscription that will remain with the book in our library.

How to donate:

Please send your book(s) by post or deliver in person to the college at:

O/o the Padmanath Gohain Baruah Government Model College

Dirak-Kakopathar, P.O. Kakopathar, Pin-786152, Tinsukia, Assam, India.
