Respected Sir,

1. Please accept my heartiest greetings on having won the Assembly elections with a stupendous majority and having taken over the Chief Minister making it a "Hat-Trick with Century", to lead the state once again with your grand vision not only for Assam, but for the entire North East.
2. I would also take this opportunity to thank you for inviting me to your historic and grand swearing in ceremony which will always remain etched in our memory.
3. I feel blessed to be back to my Karm Bhoomi of Assam, with you at the helm of affairs once again, which gives me strength and energy to take your vision forward from where we had left in Oct 2024. Before assuming my appointment on 01 Apr 26, I had met the Chief Secretary and the DGP, where we discussed issues concerning security related to illegal migrants, encroachment of land by illegal migrants, establishment of Defence Corridor between Silliguri and Dibrugarh, inter-agency coordination to include Para Military and State Police Forces and, capacity augmentation in border and sensitive areas. In addition, we exchanged views on my proposal to establish a Museum for Culture, Heritage, Flora and Fauna on the way to Kaziranaga National Park & Tiger Reserve, in conjunction with National Museum Institute, New Delhi for boosting tourism.

4. Additionally, I would like to inform you that phase I of the construction at Barnunigaon, Dhubri/ Kamrup District, has been completed on an accelerated pace because of complete support by various agencies of your administration. Troops which have been positioned already since July 25 have already raised the level of security in the area which has built the confidence of the local population. The next step is the acquisition of land for which Joint Survey has been completed with State Govt.

5. I want to take this opportunity to highlight few issues related to land, electricity, infrastructure and illegal occupation/ encroachment of land which need your blessings and directions which will result in time bound completion of projects in next 18 to 24 months which will add to our capacities and capabilities. The details of the issues which need to be addressed jointly are attached at **Appendix 'A' to 'L' along with Annexure-I** to this letter, which would need your instructions to various ministries and their officials for an early action

6. I look forward to hosting you at Gajraj Corps at Tezpur, sometime soon so that we take that opportunity to take guidance and advice from your vast experience and vision, for our beautiful state.

with warm regards

Yours sincerely
Neeraj
